EXPERIENCE

Hospitality Business Analytics Consultant — MAREC Insights

Aug 2023 – Present

Las Vegas, NV · Workforce & Labor Intelligence Specialization

- Develop workforce analytics and labor forecasting solutions for hospitality, resort, casino, and event operations.
- Build predictive labor-demand models supporting banquet, housekeeping, front-of-house, and event staffing decisions.
- Design R, Python, SQL, and Power BI analytics pipelines integrating workforce, payroll, recruiting, revenue, and operational data.
- Develop executive dashboards measuring staffing levels, labor costs, productivity, turnover, recruiting, and operational KPIs.
- Analyze labor utilization and cost trends to support staffing optimization and management decision-making.
- Deliver workforce intelligence, benchmarking, and operational recommendations for multi-property and event-based environments.
- Translate complex workforce data into executive-ready reports, dashboards, and actionable business recommendations.

Operations & Workforce Coordinator — Bella Brite Services

Oct 2018 – Aug 2023

Las Vegas, NV

- Reduced operational expenses 15% by analyzing scheduling patterns, labor utilization, and cost variance across service and event crews.
- Built workforce tools for scheduling, payroll, timekeeping, and compliance for 10–50 hospitality and event staff.

Served in cross-functional roles: Event Staffing Supervisor, Logistics Account Manager, Administrative Coordinator.
