

MARK ANTHONY RECIO, MBA

Data & Workforce Analytics · Business Intelligence · People Analytics

Las Vegas, NV · Open to Relocation · 702-763-2573 · mark.recio.pro@gmail.com · [Portfolio](#) · [LinkedIn](#)

PROFESSIONAL SUMMARY

Data and analytics professional with 7+ years of experience delivering end-to-end BI solutions, predictive workforce models, and executive reporting systems that directly influence business strategy. Proven ability to design full-stack ETL pipelines, build Power BI dashboards from scratch, and translate complex datasets into clear, decision-ready insights across HR, operations, and executive functions. Backed by an MBA, dual IBM data science credentials, and hands-on fluency in Python, R, SQL, and Power BI — equally effective as an individual contributor or embedded analytics partner.

CORE COMPETENCIES

- ▶ Power BI & Tableau Dashboard Design
- ▶ Predictive Modeling & Forecasting
- ▶ ETL Pipeline Development (R, Python)
- ▶ KPI Development & Reporting Automation
- ▶ SQL · Python · R · Advanced Excel
- ▶ Labor Cost & Demand Forecasting
- ▶ Statistical Modeling & Data Analysis
- ▶ HR Operations & Workforce Analytics
- ▶ Process Improvement & Automation

PROFESSIONAL EXPERIENCE

Data & Workforce Analytics Consultant | *MAREC Insights*

Aug 2023 – Present · Las Vegas, NV

- ▶ Architected a full-stack ETL pipeline (R on Posit Cloud → Power BI) delivering the Marec HR360 dashboard — providing executives real-time visibility into recruiting funnel conversion, zone-level labor demand, and workforce quality scores across multi-client event operations.
- ▶ Built and deployed predictive workforce forecasting models in Python and R, reducing scheduling gaps and enabling data-driven staffing decisions for large-scale Las Vegas event deployments serving 500+ contractors.
- ▶ Produced a 21-slide executive analytics presentation for Synergy Staffing Solutions × AFR Furniture Rental — synthesizing ETL outputs into labor cost breakdowns, KPI benchmarks, and strategic hiring recommendations adopted by leadership.
- ▶ Designed and automated SQL, Python, and Excel reporting workflows, cutting manual processing time and delivering real-time staffing performance visibility across HR and operations teams.
- ▶ Managed data integrity across recruiting, onboarding, and compliance workflows — ensuring clean, audit-ready pipelines from source HR operations through to executive BI reporting.

Operations & Workforce Coordinator | *Bella Brite Services*

Oct 2018 – Aug 2023 · Las Vegas, NV

- ▶ Drove a 15% reduction in operational expenses by applying systematic data analysis to scheduling patterns, labor utilization, and cost variance — converting operational data into leadership-ready insights.
- ▶ Designed Excel-based workforce tracking and reporting tools managing scheduling, payroll, timekeeping, and compliance for a workforce of 10–50 employees — building the analytics foundation now applied across BI projects.
- ▶ Partnered directly with leadership to translate workforce reporting into actionable staffing strategies, establishing early competency in bridging operations data with executive decision-making.

Additional: *Supervisor/Team Lead — Event Staffing · Account Sales Manager — Logistics Operations · Administrative Coordinator — Staffing Operations*
